WHEREAS, the County has the responsibility to provide County-wide early childhood education and assistance services that serve eligible children and families pursuant to the requirements of the Program (the “Program Services”).

WHEREAS, the County is desirous of MCS providing a portion of those services and MCS is desirous of providing such services (the “MCS Program Services”) in the manner and according to the terms and conditions provided below.

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, the County and MCS (hereinafter collectively referred to as “the parties,” or, individually, a “party”) hereby agree as follows:

PURPOSE AND SCOPE

The purpose of this Agreement is to develop a comprehensive, coordinated, multidisciplinary, interagency service delivery system in MCS and County classrooms for the early childhood education of 5,000 – 7,000 pre-school age children throughout Memphis and Shelby County (the “Joint Program”). In accordance with the Program regulations, MCS and the County may dually enroll eligible students into the Joint Program, whereby each party agrees to provide a portion of the Program Services to an enrolled child (individually, an “Enrolled Child” and collectively, the “Enrolled Children”). This Agreement specifies the roles and responsibilities of MCS and the County in relation to the Joint Program, and provides guidance for implementation of the Joint Program. The Agreement also provides a framework for coordinated efforts to assure a system of continuity of early care and education to eligible children in the metropolitan area.

ARTICLE I
The Programs

Section 1.01. Program Goals. The parties hereby acknowledge and agree that the goals of the Joint Program include increasing future student graduation and improving school readiness of Enrolled Children, as well as improving parents’ literacy skills, and increasing parents’ involvement in the education and social development of the Enrolled Children.

Section 1.02. Program Description. The Program is a federal government pre-school educational program for four year olds. Additionally, three and five year olds identified with special needs are eligible for pursuant to the Head Start grant. Commencing June 1, 2009, MCS and the County will begin the process required for the County to provide the health, social services and administrative components of the Program Services to dually Enrolled Children receiving the MCS Program Services. The Joint Program will include the 44 existing wrap-

around and Pre-K collaborations, 25 new Pre-K classrooms established for the 2009 school year, and 5 classrooms in existing sites for a total of 74 classrooms included in the Pre-K collaboration. During the course of this Agreement, the number of classrooms may be increased annually.

Section 1.03. Administration and Organization of the Joint Program. The overall administrative responsibility for the operation of the Joint Program will be the shared responsibility of the Executive Director of the County's Head Start Program and the Deputy Superintendent for Memphis City Schools and/or their designees, respectively, consistent with the obligations and responsibilities of the respective parties set forth in the Agreement. MCS will work in conjunction with the County's personnel in the operation and administration of the Joint Program.

Section 1.04. Program Participation. In consideration of the Joint Program goals and the mutual terms and conditions herein, MCS and the County hereby agree to participate in the Joint Program by providing the respective Program Services described in this Agreement.

ARTICLE II **Program Enrollment**

Section 2.01. Enrollment. (a) Commencing June 1, 2009, and throughout the term of this Agreement, the County and MCS will jointly recruit, select and enroll eligible children for participation in the MCS Program and the County's Head Start Program, all in accordance with the eligibility, recruitment, selection and enrollment guidelines, requirements and procedures specified in 45 CFR Part 1305. Notwithstanding, MCS shall have the authority to make the final decision regarding the enrollment of any child in the MCS Program. The County will have the final decision regarding Enrolled Children in its Head Start Program. In all instances, priority consideration will be given to age-eligible homeless children.

(b) MCS agrees to take immediate action to fill any slot that becomes vacant in the MCS Program due to a non-returning Enrolled Child. MCS shall, upon three days of unexcused absences of an Enrolled Child from the MCS Program, follow-up with the family of the Enrolled Child to determine whether the Enrolled Child is willing and able to return to the MCS Program. A slot shall be deemed open and must be filled if an Enrolled Child fails to attend for a period of thirty days.

(c) MCS agrees that it will meet and maintain full enrollment in the MCS Program within the first thirty (30) days of the MCS Program school year. MCS and the County will ensure that the families of all Enrolled Children in the MCS Program reside within the school district boundaries of MCS and that the Enrolled Children meet the enrollment and selection criteria provided to MCS by the County.

Section 2.02. Classrooms. MCS, including its Pre-K partners, will provide Pre-K classrooms throughout the four regions of MCS' attendance area. During the term, MCS may, at its sole discretion, relocate classrooms to accommodate its needs. MCS may not, however, reduce the number of classrooms available for the MCS Program without the prior written consent of the County, which consent shall not be unreasonably withheld. MCS will use its best efforts to make classrooms available in zip codes where the County's most recent needs assessment study indicates the highest numbers of eligible, unserved children. In the event agreement cannot be reached on the relocation of a classroom, MCS may remove such classroom(s) from the Joint Program.

Section 2.03. Assessment of Enrolled Children. Prior to the commencement of a school year, MCS and the County will conduct all required diagnostic assessments of each Enrolled Child, which assessments will be used to measure the performance outcomes of each Enrolled Child over the course of the Joint Program.

ARTICLE III

MCS Responsibilities

Section 3.01. Staffing. (a) MCS will provide, at no cost to the County, unless otherwise specifically provided in this Agreement, the administrators and teaching staff to conduct the MCS Program. MCS and its willing Pre-K partners will assume all direct and indirect costs related to the staff it will assign to the MCS Program. All staff shall meet the minimum requirements set out in 45 CFR Part 1306.20(d).

Commencing June 1, 2009, the County will provide a facility located at 3435 Ridge Meadows Parkway ("Ridgeway Center") for use by MCS in the Joint Program, at no cost to MCS, for nine wrap-around classrooms. The Ridgeway Center facility will meet the specifications set out in Exhibit A to this Agreement. Any additional facilities may be added in accordance with the mutual agreement of the parties, as evidenced by a writing in the form of Exhibit B, which writing, when fully executed, will be incorporated into and made a part of this Agreement.

Section 3.04. Meals. MCS will provide the meals required under the Program to all Enrolled Children in the MCS Program, with the exception of the programs at the Ridgeway Center and those operated by the MCS Community Partners. All meals will be prepared in accordance with the USDA requirements for school nutrition services. MCS will ensure that its staff eats lunch with the Enrolled Children daily, and that it uses mealtime as an opportunity to broaden the experience of the Enrolled Children, including activities that support language development and socialization during mealtime. The County shall provide meals satisfying the requirements of the USDA to the Enrolled Children at the Ridgeway Center facility.

Section 3.05. Records and Reporting. MCS will submit to the County any reports related to the MCS Services that may be required by HHS directives or the County, in accordance with reporting procedures agreed to by the parties. The MCS Office of Research and Evaluation will be used to collect and analyze data generated pursuant to this Agreement, and establish protocols and procedures for data sharing between the parties.

County Responsibilities

Section 4.01. General Responsibilities. Excepting the MCS Program Services, the County will provide the MCS Program the services specified in 45 CFR emphasizing the comprehensive Health and Social Services components of the Head Start requirements, as well as such other services and initiatives agreed to by the parties.

Specifically, County will:

The County may also pay for field trips, educational activities, and parent meetings/activities for classrooms identified as MCS Program sites pursuant to this Agreement. Subject to a written request from MCS and agreement by the County, the County may also pay for any other supplemental services authorized under the Program regulations. In addition to classroom supplies and materials, the County will provide an annual supplement to MCS in the amount of Six Hundred Thousand Dollars (\$600,000.00) to support the cost of the Joint Program (the "Supplement"). The County will provide the Supplement no later than August 1st of each year this Agreement is in effect, provided that, the obligation to pay the Supplement shall be subject to Shelby County Government's annual appropriation of funds, as more fully set forth in Article IX, Section 9.01.
